

FIRE SAFETY AWARD

Level 2

COURSE OBJECTIVE

This qualification is aimed at anyone involved in the management of fire safety who are based in any area where there is a potential risk of fire.

Learners gaining this qualification will know that fire safety is the responsibility of everyone and will recognise the causes of fire as well as knowing common hazards, the steps in a fire risk assessment and how to reduce the likelihood of fires.

The objective of the qualification is predominantly to support a role in the workplace, however may also be suitable for younger learners preparing for employment or wishing to progress onto further learning in a related subject.

COURSE DELIVERY

1 day workshop assessed by multiple-choice examination
