

AWARD IN EMERGENCY FIRST AID AT WORK

Level 3

COURSE OBJECTIVE

The objective of this qualification is to support learners in becoming emergency first aiders in the workplace. The content of the qualification meets the Health and Safety Executive (HSE) requirements for training emergency first-aiders in those organisations that have identified that staff need to be trained to this level within their first-aid needs assessment.

In line with guidance provided by the HSE, the qualification supports/approves work place emergency first aiders for a period of 3 years, after which point learners will need to retake the course. In addition to this, it is recommended that learners refresh their knowledge annually.

COURSE DELIVERY

1 day workshop

KEY TOPICS

The qualification covers knowledge such as the roles and responsibilities of the first aider and how to assess an incident. The qualification also covers first aid skills in cardiopulmonary resuscitation (CPR) and use of an automated external defibrillator (AED), providing first aid to a casualty who is choking and dealing with external bleeding and hypovolaemic shock.
